

# GSP-1700

## Mobile Satellite Phone

### KEY FEATURES

- Powered by 100% satellite technology – works where cell phones don't
- Lowest hardware pricing with industry leading airtime plans
- Crystal-clear voice quality
- Fastest MSS data speeds to send and receive emails and access the Internet when using the Globalstar 9600™ Data Satellite Hotspot (sold separately)
- Long-life Lithium-ion battery providing 4 hours of talk time or 36 hours standby
- U.S.-based phone number
- Smallest, lightest handset

Companies can affordably and productively manage their business directly from remote worksites instead of spending costly travel time to reach areas that are covered by cellular service. Call suppliers and business partners to arrange shipments and provide updates from the field or use the Globalstar 9600 (sold separately) to send key information via email to the head office.

### PHONE

- Compact and light weight weighing only 7 oz., the GSP-1700 packs easy for traveling
- Optimized for outside daytime viewing: Backlit color display with 4-line 12-character LCD
- Illuminated keypad: Easy to see keypad when lighting is inadequate
- Available in multiple colors: Choose from Copper and Red

### BENEFITS

- CDMA technology for optimal voice clarity
- Airtime options tailored to your calling needs, including monthly or annual plans for seasonal users
- Global roaming: Use the GSP-1700 in 120 countries worldwide
- Integrates with optional GPKD-1700 Portable Docking Kit or GIK-1700 Install Kit

### CALLING

- Simple emergency calling
- Automatic international roaming
- Easy access to incoming SMS text messages and voice mail, with user configurable "new message" alert
- Standard 2.5 mm jack for connection to a noise-cancelling headset, vehicle/marine kit handset
- User configurable ringtones (8)

### DATA NETWORK AND SERVICES

- Globalstar 9600 Data Satellite Hotspot
- Data speeds compressed up to 38.6 Kbps (Uncompressed speed 9.6 Kbps)
- Easily send and receive emails and post to social media from any Wi-Fi enabled device
  - No additional cost, uses your existing Globalstar airtime plan minutes
- Wi-Fi range up to 30 ft

### ACCESSORIES

**GLOBALSTAR 9600™**  
 By connecting the Globalstar 9600 to the GSP-1700, customers can use their existing Wi-Fi enabled devices such as smartphones, tablets and laptops to send and receive emails.

**GIK-1700 INSTALL KIT**  
 Install your GSP-1700 in virtually any land based vehicle or vessel. Choose from three antenna options and three variable cable lengths up to 86 feet.

**GLOBALSTAR EMERGENCY PACKAGE**  
 Yellow Pelican Case holds: GSP-1700, vehicle charger, spare battery and DC power cable.

**GPDK-1700 PORTABLE DOCKING KIT**  
 All-in-one GSP-1700 travel station for all mobile operations: Air, Land and Sea. GPDK-1700 charges the GSP-1700 battery when the handset is connected to the GPDK-1700.

**GVC-1700 VEHICLE/MARINE CHARGER**  
 Allows for operation of the GSP-1700 satellite phone while charging the battery. Fits standard automotive power sockets. Includes high-grade 6-foot coil cord.

**GAC-1700 AUXILIARY BATTERY CHARGER**  
 Use it to externally charge a battery for the Globalstar GSP-1700, and provide power to the phone directly. Requires use of the Globalstar GVC-1700 vehicle charger (sold separately) or GWC-1700 Wall Charger.

**GPB-1700 LITHIUM-ION BATTERY**  
 Delivers ample power to the GSP-1700 satellite phone. Provides 4 hours talk time, 36 hours standby time. High-capacity Lithium-ion technology with integrated circuitry protects against short circuits and overcharging.

**RUGGEDIZED LEATHER CASE**  
 Helps protect your GSP-1700 satellite phone in the roughest of conditions. Phone will ring and can be answered while still in the case. Includes belt clip.
